Attorney Docket No. 109927-130487

DECLARATION UNDER 37 CFR §1.131

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

To the Commissioner for Patents:

I, Brian C. Roundtree, declare and state:

1. I am an inventor of all claims of the above-identified patent application. Additionally, I am the sole inventor of the first parent application of the above-identified patent application, entitled "Web-based Personal Assistance Communication System" filed on February 14, 2000, and having the application number 60/182,330.
2. At least as early as May 1, 1999, having earlier conceived the idea of a method for providing a method of providing a response to a request from a wireless device, including:
  - receiving a request from a wireless device associated with a particular user;
  - retrieving data for responding to the request
  - determining that secondary data existed for a user;
  - associating the retrieved data with an indication of the secondary data to generate a response; and
  - transmitting the response to a wireless device.

I commenced actual reduction to practice of this invention by writing computer source code in a file identified as "main.c" (Exhibit A). Actual completion of a prototype program including the "main.c" source code module and other modules was at least as early as May 14, 1999 as evidenced in the attached source code "conversant.c" (Exhibit B).

3. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and,

Declaration Under 37 CFR § 1.131  
Application No. 09/834,649

further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

To the Commissioner for Patents:

I, Craig G. Eisler, declare and state:

1. I am a joint inventor of the above-identified patent application.
2. At least as early as May 14, 1999, prior to September 20, 1999, having earlier conceived the idea of a method for providing a method of providing a response to a request from a wireless device, my co-inventor Brian C. Roundtree commenced actual reduction to practice of some, if not all, aspects of this invention by writing computer source code in a file identified as "main.c" (Exhibit A). Actual completion of a prototype program including the "main.c" source code module and other modules was at least as early as May 14, 1999 as evidenced in the attached source code "conversant.c" (Exhibit B).
